Registration is done online at www.pasafc.com . We require all of our players and families to pay all club fees in a timely manner. Missing practices or games will not be excused unless they are unavoidable and communication to the coach is made as early as possible. You are committing to making PASA FC your primary soccer team and that you will not join or participate in any other club soccer team. Playing on your high school, middle school, or ODP team is allowed. Dual rostering on town travel teams is allowed through the age of 14. PASA FC is expected to be your primary commitment.

Players are encouraged to speak to their coach about playtime or positional issues. Parents with concerns about coaching decisions are asked to speak to the Director of Coaching. Players and parents are expected to support the club in a positive manner that created and atmosphere of respect for the staff, players from other teams, and referees. No coaching from the parent sideline will be permitted.

All PASA FC players must be registered using our online registration found at www.pasafc.com . Once we receive the signed player agreement, it is understood that there are no refunds and that all club fees are due and payable (even if a player leaves the club). Failure to pay any installment payment will result in player suspension and/or expulsion if not taken care of. *Limited* scholarships are available, but will require proof of need.

Uniform kits are not included in the fee for all players. New players will be required to purchase a complete uniform kit. Returning players will use their existing warm ups and backpacks and will be required to purchase new jerseys, shorts, and socks for the 2011-2012 seasons.
